

# TOY DRIVE FOR THE CHILDRENS HOSPITAL AT ALBANY MED

The toy drive is a way of giving the children at the hospital a reason to smile, during what is a difficult time for them and their families. Many of these children are being treated for cancer and other life threatening diseases.

We have put together a cheer cart which we wheel from room to room and let the kids pick whatever they want from the cart. Below is an example of the type of toys we bring. We would like to thank everyone for their generosity. This will be our 5<sup>th</sup> toy cart at the hospital and the main reason for its success is the help we receive from our families, co-workers, friends, and groups like the girl scouts who make blankets for us to give to the kids.

We will be going to the hospital in early December. We will come to you or you can bring your toys to the union hall.

Thanks,  
Dan and Jeff
