**Date: September 18th**

**Time: 5:00pm-8:00pm**

**Location: West Capitol Park (Between Capitol & Alfred E. Smith Office Building)**

Please join us as we rally in defense of the Middle Class. As the economic downturn continues, Middle Class Americans are bearing the brunt of the fallout. Corporations, Republicans, and the Tea Party have set their sights on union workers and vital social programs, while protecting and promoting corporate greed and tax cuts for the rich. The time for unity is now. Join us in steering the country towards helping the Middle Class instead of targeting it.
